'G' Bus Line Protest Up for Hearing Soon

Councilwoman Kathie Zahn's complaint over curtailment of "G" bus service, filed with the State Public Utilities Commission on Oct. 10, has been assigned to Commissioner Verne Scoggins, and Examiner Paul Silverhart by the P.U.C. with instructions to set a date for hearing, according to Mrs. Zahn. Mrs. Zahn's complaint had been answered by the Key System on Nov. 11, with the request that the Commission deny the requested action and dismiss the complaint. At the meeting of the P.U.C. on Nov. 16 it refused this request, and referred the matter to Scoggins and Silverhart to conduct a hearing as asked for in the original complaint. The data necessary for presentation at the new hearing is now being assembled by Mrs. Zahn.

Albany Folk Dancers to Hold Party Tomorrow

The November Folk Dance Party of the Albany Dancers will be held at the Marin School Auditorium, Santa Fe and Marin Aves., at 8:30 p.m. tomorrow, Nov. 20. Arthur and Mary Gerling are host and hostess, and have chosen the traditional "Thanksgiving" theme for the decorations and refreshments. In addition to the usual and up-to-date folk dances, there will be groups of squares, called by Harold Anderson and Clarence Crooks.

This will be an excellent opportunity for those folk dancers who plan to attend the East Bay Regional Festival at the Richmond Memorial Auditorium on Dec. 5, to get in some practice on the latest dances. Practically all of the 32 dances scheduled for Saturday night will also be on the December festival program. An enjoyable and active evening is in store for all who attend the Saturday evening party.

Bruce Thompson Gets His License

Bruce Thompson, of 938 Solano Ave., was very much embarrassed last week. He had been telling his folks that he was taking the Police Course School course for teenage hunters, preliminary to obtaining his hunting license, but when the list of graduates was handed in to The Albany Times last week by Instructor Jack O'Leary, Bruce's name was omitted through an oversight. However he has his license to show that he actually was graduated from the course.

The course, being held under auspices of the Albany Police Department, is open to adults as well as teenagers, but is compulsory for those under 16, according to the California Fish and Game Code.

Albany Girl Named To Fashion Board

Miss Martha Arnold, 1058 Pomona, of Albany High School has been elected to McCalls Patterns Teen Fashion Board for the year 1954-55. As a member of the board, she will act in an advisory capacity to McCalls' Patterns' design department, offering suggestions and preferences for teen, junior and misses' fashions.

The Teen Fashion Board is composed of high school students in their senior year, representing home economics classrooms throughout the country. Each girl on the board was nominated by her teacher as the outstanding sewing student in her school and as a campus leader.

Left to right: Mrs. Martha M. Hood, area chairman for Albany, El Cerrito and Richmond; Kayo Denham, co-chairman with Mrs. William A. Miller, for Albany ticket sales.

Aid for Retarded Children Sought in Drive for Funds

The East Bay Association for the Aid of Retarded Children, is co-operating in the national Retarded Children's Week, Nov. 14-21, and locally will sponsor the Nov. 30 evening performance of the "Ice Cycles" as a part of their fund drive. Co-chairmen of ticket sales for Albany are Kayo Denham and Mrs. William A. Miller, whose telephone numbers are LAnd. 5-1306 and LAnd. 5-8757 respectively.

The need for money to continue the projects now being operated, is urgent, according to the sponsors, especially the Preschool at 20000 - 40th Ave.; the elementary school at 2141 Bancroft, San Leandro, and the Sheltered Workshop, 9202 East Fourteenth.

There is a great need for the same facilities in the west end of the East Bay, for the mentally retarded children can best be helped by having educational facilities similar to those of other children, but adapted to their special needs. The less severely mentally retarded can thus be taught to become useful citizens.

Parents of these children are determined that they shall have the

same opportunities as other children. The Association is therefore asking the public to share in its fund drive, and also an understanding attitude toward a group of children which has long been forgotten.

Albany Soroptimists Enjoy Color Slides

Wednesday's meeting of the Albany Soroptimists dispensed with business in short order so that members could enjoy a trip to Honolulu by way of color slides taken and shown by Edith Lennox, our camera girl. Edith did a beautiful job of composition, photography and color.

Soroptimists will remember our offer to help collect broken or unwanted toys, furniture, bric-a-brac, etc., as an assist to the newly formed Handicapped Cooperative Enterprise of Oakland. Articles contributed will be picked up by the Cooperative in about two weeks, all members will please bring articles to 1605 Solano Ave. before that time.

On Wednesday, Dec. 1, a business meeting will be held at The Roberta, 930 San Pablo Ave., at 12:05, presiding officer will be Sally Nelson, president.

ALBANY COUNCIL ROWS OVER PROPOSED E. B. TRANSIT DISTRICT PLAN

Discussion of a proposal that an East Bay Transit District be formed along the lines of the East Bay Municipal District, brought heated argument to the Monday night meeting of the Albany Council.

It all stemmed from a more or less informal dinner meeting of the mayors of the 10 Alameda Coun-

ty municipalities, held last Friday at the Palm Garden. As Mayor of the host city, Mayor Lewis M. Howell presided, and during the discussion following the dinner, he introduced a resolution supporting the formation of such a district and proposing that the assemblymen and state senators from the East Bay districts be urged to further such a plan at the next meeting of the Legislature.

The resolution was passed with one dissenting vote—that of the City of Alameda. Berkeley and Emeryville were not represented at the meeting.

Councilwoman Kathie Zahn started the "fireworks" she questioned the authority of Mayor Howell to introduce and support such a resolution without sanction of the Council. She also questioned the Mayor's right to attend such a conference as the representative of Albany without previous action by the Council.

Mayor Howell explained that any action he might have taken at the conference was not binding upon the city, and that the other mayors at the meeting were there informally and not officially representing their respective cities.

Mrs. Zahn still maintained that while the Mayor's action might not be binding upon the city, nevertheless as its mayor he might be presumed to be representing the City, and therefore entitled to speak for it.

She said further that she did not believe the City of Berkeley would support the resolution as adopted, and further, that to her knowledge Berkeley has a transit plan of its own, which it is about to present to the other East Bay cities, and which she thought would be more workable, but would avoid many of the "pitfalls" she declared were present in the plan proposed at the meeting of the mayors.

After some further discussion between Mrs. Zahn and Mayor Howell, Councilman Blank moved a vote of confidence in the Mayor, which passed four to one, Mrs. Zahn voting "No."

The sum of \$150 was voted the Albany Solano Avenue Merchants Association to aid the association in its Christmas-decoration plan. A resolution accepting the sum of \$149.25 from the City of Berkeley for Cadornices Village children's recreation, was approved.

Construction of a carport to house the newly purchased Albany police wagon, and recommended by Police Chief Jensen, after some discussion, was held over until after the next meeting.

Community Foundation

Week Dec. 5-12

The Alameda County Community Foundation is today enlisting the cooperation of the county's service, professional, social, religious, women's and other groups in a county-wide observance of America's first annual "Community Foundation Week," from December 5 to 12.

Purpose of the Community Foundation Week program is to focus public attention on the availability of the foundation as a public agency.

Originally established in 1930, the foundation, publicly sponsored, receives and provides for a permanent but flexible administration of charitable donations from public-spirited individuals. It offers a continuing means through which a donor's wishes and purposes may be fulfilled faithfully, economically and permanently.

Bequests from wills and other donations from civic-minded Alameda County Residents, make up the foundation's capital.

In turn, the foundation allocates funds for Alameda County welfare purposes to aid in conducting general agency programs. Some of these agencies, and the purposes for which they have received foundation fund allocations are:

Children's Hospital of the East Bay—Toward purchase of electric generating plant.

Young Peoples Symphony Orchestra Association—Toward purchase of music and stands.

Oakland Boys' Club—Purchase gymnasium mats and electric kiln.

Catholic Social Services—Toward purchase of table and 14 chairs.

Booth Memorial Hospital—To purchase dishwasher.

Herrick Memorial Hospital—Toward construction of a memorial wing.

Jewish Welfare Federation—To refinish gymnasium floor.

New Equipment For Albany Schools

In the more than 15 years since the machine accounting system was installed in the Albany Schools, the district has greatly increased in size, and the financial operations have become even more complex. For several years, the need for a more modern method of accounting has been recognized. With the adoption of laws requiring the auditing of all school accounts in accordance with uniform procedure developed by the State Department of Finance, it became advisable to change the accounting equipment to conform to the new requirements; consequently, a new accounting machine has been purchased and installed. This machine is used for the preparation of payrolls, the recording of proposed and actual expenditures, and the recording of all income. Periodic financial reports can now be prepared with greater ease and in more detail than has been possible in the past.

In addition to the usual instructional supplies which are purchased during the summer months, the Board of Education has authorized the purchase of several major equipment items. Some new instruments will be purchased for the music departments of both high school and the elementary schools, one of which will be a piano for the high school chorus. Ten typewriters for the entire district have been replaced, and new duplicating machines have been purchased for Marin and Cornell Schools. To enable the science department of the high school to adjust the instruction to recent scientific advances, several thousand dollars worth of special equipment will be purchased. A set of bleachers has been ordered for the high school athletic field to accommodate the spectators that accompany the visiting team.

St. Alban's Bazaar**To be Held Dec. 4**

The combined organizations of the St. Alban's Episcopal Church in Albany will hold a bazaar at the church on Saturday, Dec. 4, from 10:30 a.m. to 5:30 p.m. for all of its members and for the residents of the community. The bazaar, "Santa's Preview" will feature gifts for the shoppers' Christmas gift list at very good buys.

Some of the attractive items to be displayed for purchase will be children's stuffed toys, bean bags, games, etc.; a variety of items for teenagers, and gifts for adults such as Christmas decorations, aprons, table settings and many other attractive items.

Among those organizations participating are the St. Clare Guild with Mrs. Don Smith in charge; the Women's Day Auxiliary, with Mrs. H. E. Pickard in charge; the Young People's Fellowship, with Bob Cramer in charge, and the Men's Club with M. Counsell in charge.

Deadline on Poultry Permits

"City permits to keep poultry must be obtained by November 30. The keeping of poultry and/or rabbits without a permit issued by the Health Department of the City of Albany after that date will be considered a violation of the City Poultry Ordinance.

Applications for permits to keep poultry in the City of Albany are available at the Albany Health Department. Health permits issued by the city are required under Ordinance No. 756, regulating the keeping of poultry and rabbits in the city. Health Department office hours are 8:30 through 10 a.m., and 3 through 5 p.m., Monday through Friday. Poultry owners are requested to apply for permits as soon as possible."

ALBANY EXCHANGE CLUB will hold a Hard Times Dance, tomorrow night, Nov. 20, to be held in Fred Klein's Shop. Tonight will be given over to preparations for the event and volunteer workers will be welcome to aid in the decorations.

The plans call for a rural setting, typical of a Thanksgiving harvest in the country. Each member is asked to bring one or more extra couples. Dress for the evening will be anything from long handles to shirts and slacks. The Exchange-ettes plan to furnish a snack setup.

AT THE THANKSGIVING season we realize more than ever how much it means to have the friendship and good will of folks like you.

So we thank you... and cordially invite you for coffee and Scandinavian Cookies on Friday, Nov. 19, (today) from 1 to 5, and 7 to 9... and Saturday, Nov.

This is the third anniversary of our Shop of Scandinavian Design. —Harold and Helen Lindberg.

SINCE OCTOBER 29 Albany Post, No. 292, the American Legion has had an unprecedented record toward the membership goal of the post. "It looks like," said Gilson Talmadge the post commander, "That the local Legion Post can have its state department quota by Jan. 1, 1955. The muster roll will be called Friday evening at the Albany Memorial Building when I will," continued Talmadge, "Lay out the plans for the 'Battle of the Bulge' to reach the objective by January 1st for a full complement of 313 on the roll of Albany Post." According to the plans of Commander Talmadge two opposing forces will be set up, one under the direction of C. Edward Johnson, the other to be Charles Lindh. The Johnson forces will get the credit for the eighteen new recruits signed up prior to the starting of the battle, because primarily Johnson is responsible for the eighteen. The Johnson head men will be Lawrence Finigan, George Mack Jr., Walter Ellis, Jack Purcell. The "enemy" to take the Bulge the Johnson forces have been working under Lindh, will be LeRoy W. Holland, Jack Hamilton, Carl Waters, Max Etingoff, Walker Lyon, Daniel Lorenzo, Johnney Razzano and Jack Pope. The reason there are more Lindh men than Johnson men is because the Johnsons have the Bulge on the Lindhs.

To give both sides ammunition to work with the past commanders of the Post will arm them with invitations to the past commander's party, scheduled for December 3, the annual party where by the past commanders undertake to raise a fund for the Veterans Hospital's Christmas Committee. This past commander's party is an annual Christmas party they give each year for the aid to the hospitalized veterans and service personnel in the Government Hospitals in Alameda County, Livermore and Oakland V.A. and Oakmoll and Camp Parks Air Force Base.

Community Church Opens Fund Drive

On Sunday, Nov. 14, the Albany Community Methodist Church officially opened a campaign to raise \$3,000 for repainting, repairing and reroofing their church and educational building. Chairman of the finance commission in charge of raising funds is Mr. Harry Johnson. Gift pledges are being received now to be paid over a 10-month period. The opening of this drive met with a very favorable response from many parts of the community.

The plan is to completely refinish the outside of the building, repair broken portions, and place a new roof on the sanctuary, according to the pastor, Rev. Douglas H. Henderson.

Emmett Devine Heads Christmas Seal Sale Here

Emmett Devine, superintendent of recreation and parks, will lead Albany's participation in the annual Christmas Seal Sale which opens here and throughout the Nation on Monday.

Devine, president of the Albany Exchange Club which sponsored the recent minifilm chest X-ray survey here in cooperation with the Alameda County Tuberculosis and Health Association, was appointed seal sale chairman to succeed Edwin S. Howell, newly named Richmond city manager.

Work of the TB Association is supported by proceeds from the sale of the penny holiday stickers.

The TB Association's year-around program includes provision of free minifilm chest X-rays and other case-finding activities, research, patient rehabilitation, and public and professional education.

Working with Devine on the Albany seal sale committee are Mrs. Freda M. Brown, Fred Fricke, Mayor Lewis M. Howell, Ralph Jensen, Dr. Robert T. McMahon and Fred Pimental.

In addition to his Exchange Club activities, Devine is a member of the Berkeley YMI and the Albany Eagles.

Albany Scouts Form Training Patrol

The Albany Troop 45 contingent elected Gene Miller as their patrol leader for their "green bar" leadership training at Camp Herms recently. Made up of boys from all four patrols of Troop 45, the Albany Scouts chose the name "Highway Patrol" to identify their group during the Mafeking Ranger Course. Their siren-like patrol yell announced their place honor for the group in over-all accomplishment including surveying, map reading, axmanship, first aid, etc. A new experience for most of the boys was aluminum foil cooking—meat and vegetables were wrapped in foil and placed in hot ashes, where they stewed in their natural juices to provide a delicious and well-balanced camp meal.

Scouts participating for Troop 45 included: Conrad Gaunt, Bob Sangmaster, John Henry, Warren Truitt, Mike Zugnoni, Dick Watkins, Louis Webb, John Jones, Walter Wind and Gene Miller. Nearly 100 Berkeley and Albany Scouts attended the training course, which was in charge of Scoutmaster Henry Silva of Albany Troop 45. He was assisted by other scoutmasters, Berkeley Commissioner Richard DuPont, and other scouts.

"American Thanksgiving"

THE TRADITIONAL DAY OF THANKS for the good things bestowed on its people by gracious Providence is as old as the story of our Pilgrim fathers in America. The Mayflower settlers were the first to set aside a day for "the giving of Thanks to God" and their guests at the first Thanksgiving included nearly one hundred Indians who had helped them through the first, terrible winter.

The story of Thanksgiving, from the time of our Pilgrim fathers through "turkey day," as it is often called, is the subject of "American Thanksgiving" on "Cavalcade of America," scheduled for many ABC-TV and selected spot stations between November 23 and November 26.

1. George Washington, as played by Richard Gaines was heard to refer to the day as "a local festival" when he was camped on the Boston Common during the American Revolution. 2. The spirit of our forefathers as played by the Pilgrims in the scene above was kept alive, however, and Abraham Lincoln was the first American president to officially declare a National Thanksgiving Day. 3. Stephen Wooten, above appears as a youth at the first Thanksgiving, and, in the lower picture, as the son of a modern, American family gathered about the festive board. (ANS)

WOMEN BOWLERS WILL MEET HERE TOMORROW

Arrangements have just been completed between the two women's bowling associations of the Bay Area and the Albany Bowl, for the rolling of an elimination tournament to send one northern California woman bowler back to the finals in the East this coming spring.

A field of at least 30 women will face the barrier at Albany Bowl at 1 o'clock tomorrow, Saturday afternoon for the first round of five games. Half the starting field will then be eliminated and the second round of an additional five games will be bowled Saturday evening starting at 7 o'clock. On Sunday morning the third leg will be bowled, with a field of eight contestants. The four finalists will bowl for the championship, and the entry and transportation to the finals, bowling two games each in a round-robin affair, with a fourth position round closing the contest. The final round-robin will be bowled and scored under the Peterson point system. This scoring system gives one point for each match won, plus an additional point for each 50 pins scored. Fractional scores are tallied fractionally. Total Peterson match point winner is the tournament winner.

Agnes Duffy, president of the Women's East Bay Association reports that 22 women already have signed up for the opening contest, and that she expects at least 30 to compete. Entries are coming in from Stockton, San Jose, San Francisco, Vallejo and Sacramento.

Why be Fat?
Listen to Joanne Dru!
"Ayds does a top job for me," says Joanne Dru. Other women who have followed the Ayds Plan report losing up to 10 pounds with the very first box (\$2.98). When you take Ayds before meals as directed, you automatically eat less—lose weight naturally.

Japanese, Chinese Bowlers Plan Joint Tournament in '55

A joint meeting between bowlers of Japanese and Chinese ancestry at a dinner on Nov. 6 resulted in plans for a National Oriental Tournament to be held annually on the weekend following Easter Sunday, beginning next year. This was the first such conference between the two groups since 1949. At the request of the two groups the meeting was presided over by Bill McGowan of "300" Publishing Company whose offices will promote and manage the events.

Attending the meeting for the Chinese were H. P. Lee, president of the S. F. Chinese Bowling Club, Henri Tom, secretary of the S. F. Club, Stanley Wong, and Frank Hee, past presidents. Attending for the Nisei were: Dick Arimoto, president of the Peninsula Ass'n., Ike Takei, president of the East Bay Nisei, Hi Akagi S. F. representative, and Gish Endo, past president of the S. F. Nisei Bowling Ass'n.

The N.O.C. will consist of team, doubles, singles and all-events for men with companion events for women. The contesting field will be limited each year by the Steering Committee and for 1955 the men's field will be restricted to 100 teams.

The purpose of the National Oriental Championships is to provide a common field of competition for Chinese and Japanese Bowlers and to maintain the excellent relations presently existing. At present the Pacific Coast Chinese Tournament is restricted to Chinese and the National Japanese American Citizen's League Tournament is designed primarily for Nisei. The N.O.C. will permit both racial groups to retain their own championships and at the same time to provide an event for the membership of all Oriental Bowling Associations.
